6 Hour Regularity Relay Phillip Island - returns 30 & 31 July 2022

A great way to get a blast around the famous Phillip Island race circuit.

CCRMIT is expecting to enter several teams and will be calling for expressions of interest with \$ deposits after Easter so have a chat to your mates and get a team together... more info to come.

As most know this is not a race but a regularity teams event i.e. you set your target time on Saturday and if you get close to that time, you get bonus laps, go under it and the team loses laps ... teams are usually 4 or 5 cars and 2 people can drive the same car.

Entries are scheduled to open mid-May but I suspect it will be oversubscribed as lots of people are looking to restart their motorsport after missing the last 2 years. Hence we will look to have our teams entry forms ready by end of 1st week May. I'm happy to co-ordinate again but also welcome anyone else interested in assisting the coordination of the CCRMIT teams, entries etc.
